Trout Fishing in South West England 2010

CONSERVATION & LEISURE WORKING TOGETHER
swlakestrust.org.uk

Welcome

We extend a warm welcome to all trout anglers. The range of fishing we offer ensures excellent sport for all anglers. Our still water rainbow trout and brown trout fisheries are amongst the best in the west, with natural, free wilderness sites offering an inexpensive day out in beautiful countryside.

Fly fishing is the rule at our top stocked fisheries, however some other venues have areas designated for other fishing methods. We want you to enjoy your fishing, so if you have any suggestions for improvements please contact Chris Hall on 01647 277587, or e-mail chall@swlakestrust.org.uk.

We are particularly keen to encourage young people and newcomers to take up the sport and have a number of initiatives and events planned during the season, including training courses and introduction days. Details will be posted on our website swlakestrust.org.uk. Under 12s may fish for free when sharing their parent's bag limit.

Boats providing a loch-style alternative to bank angling are available at major sites on most days and may be pre-booked. You are advised to call in advance to check availability.

South West Lakes Trust is a member of The Association of Stillwater Game Fishery Managers.

A permit covering all South West Lakes Trust fisheries is available:

Full Day £500 **Concession** £400

Season permits for Kennick, Siblyback and Wimbleball continue to cover all three lakes. A Castabout season permit for Colliford, Roadford and Fernworthy is available. The Trust works closely with the Wheelyboat Trust to enhance facilities for disabled anglers. For more information please visit wheelyboats.org.uk

Please note: The information in this leaflet is up to date at the time of printing. However, some changes may occur. No liability can be accepted for any errors, omissions or deletions.

If you know anyone, young or old, who would like to learn, we have regular courses with qualified professional instructors.

A full list of local instructors holding a nationally recognized qualification is available from the number below or at sites. The Trust will be running a series of introduction days in conjunction with the Environment Agency and local qualified instructors during 2010.

Visit swlakestrust.org.uk or call 01566 771930 for further details on events and courses.

FACILITIES FOR DISABLED ANGLERS Most of the major stocked fisheries have Wheelyboats available which provide access to the water for less able anglers and wheelchair users. These boats must be booked at least 48 hours in advance to guarantee their availability.

PLEASE REMEMBER

- 🕒 Permit fees cover the car parking charge made at some sites
- 🐕 Dogs are not permitted to accompany anglers
- 🗑 Please take all your litter home and keep the countryside clean
- 🚫 In the interests of hygiene and public safety we do not allow people or dogs to swim in the lakes
- 📝 Catch returns must be completed on sites where available
- 🚤 Boat anglers **MUST** wear approved buoyancy aids, (available on site) and follow the boat angling code of conduct
- 🎣 Anglers on all our waters must have an Environment Agency rod licence, available from Post Offices or via the Environment Agency on 0870 1662 662

Competitions - The Trust holds its annual open bank competition, The Peninsula Classic, at Kennick in May. The annual Wembleball Open Boat Pairs competition will be in September and the date for the midsummer Snowbee Team competition at Siblyback will be posted on our website. Please contact the Trust for more details or visit swlakestrust.org.uk.

Concessions - Day Concessions: Recipients of State Old Age Pension, recipients of State Disability Pension, recipients of State Mobility Allowance, full-time students under 18 years.

Child Concessions: Children aged 12 - 16 years.

Wheelchair Concessions: Bank anglers using a wheelchair.

Day & Season Permits - Season permits are available for a majority of the fisheries and are purchasable from the Angling and Watersports Centres on site or from Summerlands Tackle. Day permits are available either on site or from the listed local agents. Most permits can also be purchased online at swlakestrust.org.uk.

Payment for both day and season permits will be required, and tickets will be issued immediately. Please note that proof of eligibility will be required for concessionary tickets. Photos for season permits will need to be attached to the season permit before fishing, but are not required at time of purchase.

Multiple lake season permits are available. Please enquire on site or at Summerlands Tackle. A season permit for Kennick, Siblyback or Wembleball covers all three lakes.

Discounts - Discounts for regular visitors are available from the agents. 20 pre-paid permits benefit from a 15% discount and can be shared between anglers. "Angling 2000" fishing tokens may be used as part payment for permits at our trout fisheries.
